

Letter Regarding Invitation to Participate in the "China Overseas Investment Fair"

Dear Federation of Chambers of Commerce and Industry of the United Arab Emirates:

The China Overseas Investment Fair is a premier international event representing the highest level of China's outbound investment and cooperation in infrastructure and technology industries. Since its inception in 2009, the fair has successfully convened 14 editions, attracting hundreds of heads of state, prime ministers, and ministerial-level officials from China and around the world. Over 1,000 forums and international investment activities have been held, facilitating thousands of cooperative projects. It serves as a vital platform for China's investment and collaboration with global partners.

The 15th China Overseas Investment Fair in 2025 will be grandly held from September 17-19, 2025, at the China National Convention Center in Beijing. The basic details are as follows:
