To: Dr. Fatma Al Dahmani

Deputy Ambassador of the United Arab Emirates

Taking the time to visit Seeh Al Sarya Engineering Matured LCC, it was a honourable occasion.

A brief introduction of Seeh Al Sarya Engineering (SAS) a Matured LCC; is an ISO 9001:2015, ISO 14001:2015 , OHSAS 18001:2007 and ISO 29001:2020 Certified and Established Company incorporated in 1997.

SAS is engaged in carrying out Oil and Gas related Engineering, Procurement, Construction and Maintenance work that includes Civil, Mechanical, Electrical, Control & Automation, Pipeline works.

In addition, over the years we have undertaken and completed all the projects on schedule to best quality and safety standards for Petroleum Development Oman, Daleel Petroleum Oman and Occidental of Oman Inc.

We, at Seeh Al-Sarya Engineering LLC (SAS) continuously strive to improve our performances in all fronts to ensure customer satisfaction and comprehensive quality management system in line with requirements specified in ISO and OSHAS.

In regards to Safety which is our pillars in delivering any projects. We do not compromise in our commitment to the health and safety of our employees, subcontractors. We work to continuously strive to enhance our processes, demonstrate leadership and promote HSE. We Ensure that individual's accountability expect all employees to adhere to our company and clients safety standards.

We are writing this letter to formally propose a business collaboration with companies such as ADNOC and other companies in the United Arab Emirates in oil and gas sector. We intend to expand our collaboration further by joining hands with UAE companies.

We would appreciate the support of being registered in ADNOC, as we wish to have a future business opportunity in the UAE.

We have been in the Oil and Gas sectors for the last 25 years, and we have successfully provided the completion of projects to different companies as stated above.

Recently we got nominated from PDO to participate in ADIPEC Exhibition and Awards 2022 in October 2022. As part of this event, we will also be participating in two areas that we believe to have excelled

1. SOCIAL CONTRIBUTION AND LOCAL CONTENT PROJECT OF THE YEAR
2. OPERATIONAL EXCELLENCE COMPANY OF THE YEAR - EXCELLENCE IN REMOTE OPERATIO
