your skincare routine"*

BRAND DECK

OUR MISSION

We create high performance, multitasking skin and body products inspired by our commitment to reduce waste and support conservation across all touch points. We are defining 'smart skincare' by creating gender neutral solutions for those wanting a premium skincare routine simple and effective. Innovation efficacy and conservation remain at the heart of everything we do.

HYBRID INNOVATION

3-in-1 innovation. Developed by scientists. Ingredient functions that remove the need for additional steps yet achieve the same results. Designed to enhance any routine or replace all together.

INGREDIENTS

Nature Inspired. Results based, nutrient dense, naturally active formulations. Committed to creating premium products that address various skincare and wellness needs via our high-performance, multi-tasking approach.

CONSERVATION

Always clean. 100% sustainably farmed ingredients. Free from chemicals, silicones and parabens to ensure our products do not pollute land, rivers or oceans.

ETHICAL

Awarded with Leaping Bunny logo and Vegan certified. Packaging and components are 100% recyclable to eliminate landfill waste.

OUR FOUNDER

As a businesswoman and frequent traveller, I found there was a common challenge among other busy men and women how to simplify a skin care routine without compromising on efficacy or quality. I wanted to create a skin care range in which every product combined at least three essential benefits, using natural active ingredients derived from foods, plants and botanical oils. Formulations had to be simple to use, easy to understand and nutrient-dense. I saw the development of the range as the merging of skin care and wellness. It also needed to deliver the indulgent experience and transformative skin results associated with the highest quality skin care collections. After three years of research and development, our capsule collection was launched.

Nineteen months and countless formulations later we launched our first product Tri-Balm, an award-winning 3-in-1 multitasker designed to effectively cleanse, exfoliate and moisturise in one simple step. This luxurious, nutrient-dense balm leaves your skin clear and radiant; the lightweight stick applicator is easy to use and travel with.

This has been an extraordinary journey for me as a founder and I am immensely proud of what we have achieved. I hope you enjoy the products as much as I enjoyed making them for you.

Warmest Wishes

Pauline

Pauline Prescott, Founder & CEO

OUR PROMISE

We are constantly innovating to deliver multi-benefit, multi-purpose skincare formulated using the highest quality natural active ingredients. We actively seek to reduce wasteful packaging and conserve water all whilst sustainably sourcing our ingredients.

Formulated by scientists, grounded in nature

Today we are proud to present a capsule collection of multitasking multi-benefit essentials which naturally nourish your skin and reduce the steps in your routine. Each one is inspired by our goal to create high performance formulations while maintaining our environmental commitment to reduce waste, conserve water and source sustainably.

Our passion is rooted in wellness, and we want everyone to experience the power of natural ingredients in maintaining healthy skin. We hope you will join us on our journey as we pave the way for next generation 'smart skincare'. Our multitasking formulas are designed to restore and rejuvenate your moisture barrier for plumper, smoother, more radiant skin. We promise to streamline your skincare with a simplified regime made with nature's finest ingredients.

ONE STEP

Streamline your skin care with a simplified regime. Cleanse, exfoliate and hydrate your skin with Formulae Prescott 's 3-in-1 Tri-Balm by repairing and restoring your skin's natural suppleness and bring healthy life back into your skin barrier. With three steps in one, Tri-Balm is all you need at home or when travelling.

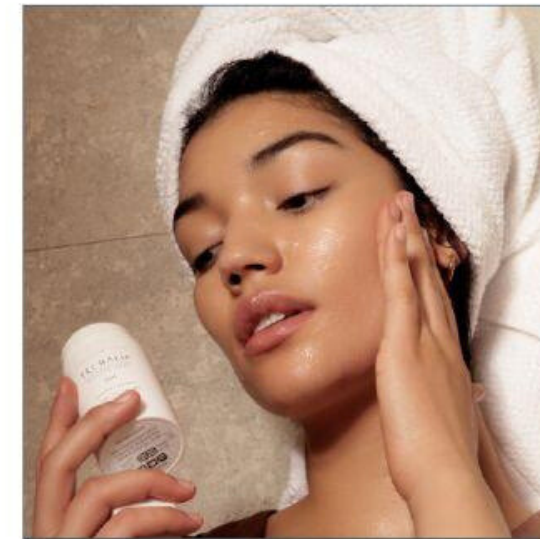

CLEANSE

TRI-BALM STICK OR JAR

Cleanse and remove skin's impurities and restore hydration by rolling the stick directly onto the skin.

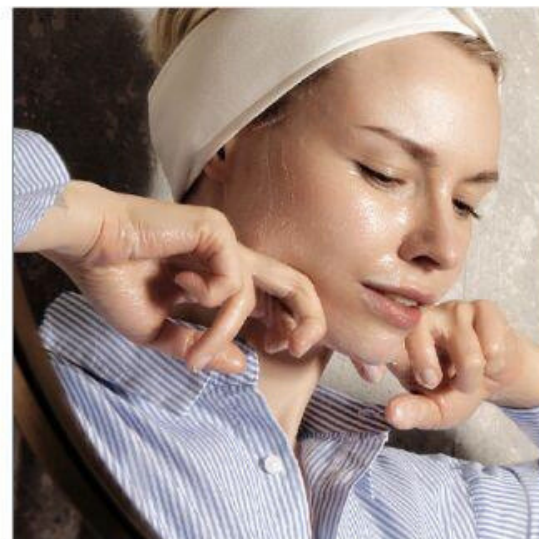

Love the formulation but prefer a different applicator? Try our Tri-Balm jar. Scoop out your daily portion, warm the product up and between your hands and gently remove skin's impurities and makeup. Wipe off the sticks top layer with a tissue.

MOISTURISE (OPTIONAL)

TRI-BALM STICK OR JAR

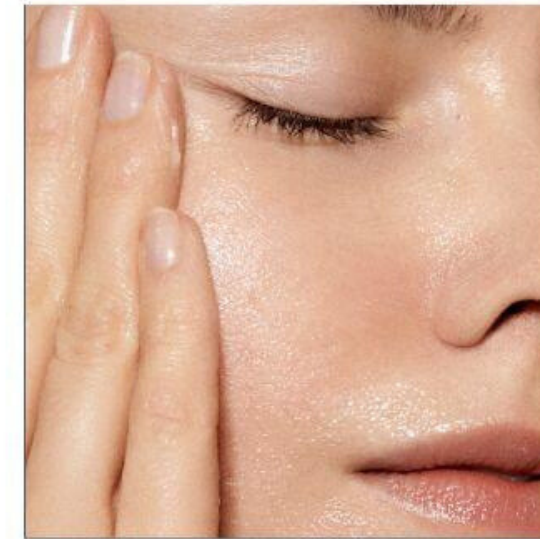

The skin should feel hydrated even when the product is rinsed off. For extra hydration reapply the Tri-Balm as a moisturiser or use it as a base for makeup.

MASSAGE & EXFOLIATE

TRI-BALM STICK OR JAR

Massage the healing powers of our Tri-Balm into your skin to feed your skin barrier with a combination of oils (wheatgerm, sweet almond, blackcurrant) and exfoliating enzymes (derived from pumpkin seeds). Not only is this product easy to use - the balm formulation washes off makeup whilst gently exfoliating dead skin cells. Rinse off and pat dry.

OVERNIGHT OR IN-FLIGHT MASK (OPTIONAL)

TRI-BALM STICK OR JAR

Apply an extra layer of Tri-Balm in the evenings as an overnight sleeping mask or as an in-flight mask to lock in moisture while gently exfoliating dead skin cells at night. The hyaluronic acid locks in hydration leaving the skin feeling and looking extra dewy and hydrated. Wash off or wipe off in the morning.

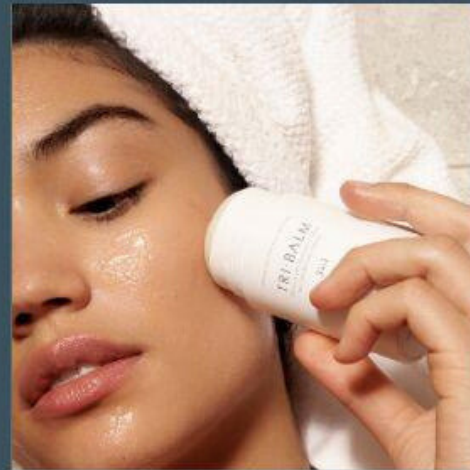

ONE PRODUCT

Formulae Prescott's Skimalist Routine

Curated by Pauline, this simple 4-step regime will keep the skin barrier hydrated, nourished and healthy. Repair and protect morning and evening with our nutrient-dense, antioxidant-rich products.

- Tri-Balm, Tri-Spritz, Tri-Serum and Eye & Lip Treatment Cream

STEP 1: CLEANSE

ANTIOXIDANT-PACKED TRI-BALM

Cleanse and remove skin's impurities and restore hydration by rolling the stick directly onto the skin.

Don't like the stick try our Tri-Balm jar. Scoop out your daily portion, warm the product up between your hands and gently remove skins' impurities and makeup.

STEP 2: MASSAGE AND NOURISH

FIRMING AND REPAIRING TRI-SERUM

Dispense a few drops of Tri-Serum into the palms of your hands to warm up, then apply where needed (face, neck, chest, hands) to help increase hydration. Use morning and/or night. Mix with foundation to keep the skin extra hydrated throughout the day for additional moisturising benefits.

STEP 3: FIRM, REPAIR AND MOISTURISE

EYE & LIP AND TRI-BALM

Squeeze a small amount of the Eye & Lip Treatment Cream onto fingertip and gently pat the delicate area and outline of your lips morning, night and top up anytime in between.

Lock in hydration and prep skin for makeup or sleep with a final layer of Tri-Balm.

STEP 4: TONE, PREP AND PROTECT

MULTIFUNCTIONING TRI-SPRITZ

Tone with our antioxidant-rich treatment mist, Tri-Spritz, to protect the skin's barrier with it's anti-pollutant properties. Strengthen and condition the skin.
