AV Equipments

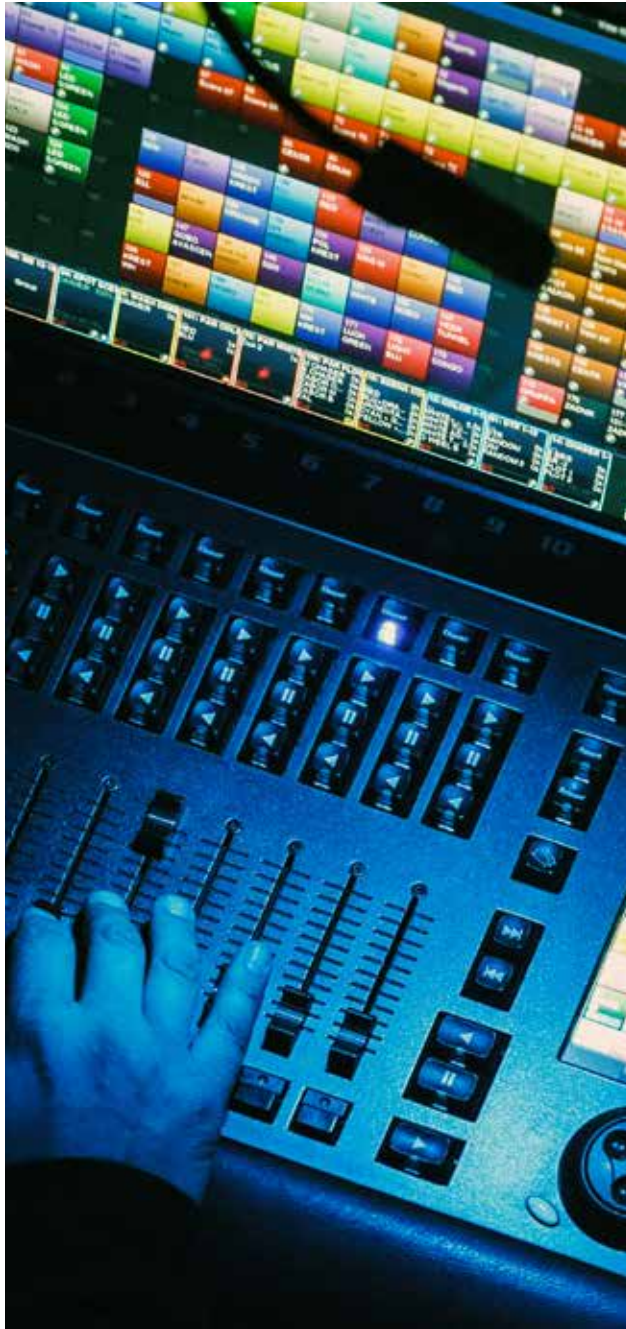

- Projector or LED Screen 3.9mm
- Backdrop Projection HD
- Watch out system + Cabling

Sound System

- Our setup includes high-quality speakers strategically placed throughout the venue to ensure clear and balanced sound coverage. These speakers are powered by professional-grade amplifiers, meticulously calibrated to provide optimal performance in the venue's unique acoustic environment

Lighting System

- Our setup includes an array of professional-grade lighting fixtures strategically positioned to illuminate the stage, audience areas, and key points of interest throughout the venue. These fixtures encompass a variety of lighting types, including spotlights, wash lights, and color-changing LEDs, allowing for dynamic and versatile lighting effects

Cable & Accesories

- Our event will be supported by a comprehensive array of cabling and accessories to ensure seamless connectivity and operation
- of our audiovisual equipment. With our attention to detail and commitment to quality, you can trust that our cabling and accessories will play a crucial role in the smooth and successful execution of our event

Photographer & Videographer

- Our team comprises professionals with years of experience in both photography and videography, ensuring that every aspect of the event is beautifully documented. Equipped with state-of-the-art cameras, lenses, and accessories

Health & Safety

- At our event, the health and safety of our attendees are of paramount importance, and we have implemented comprehensive measures to ensure a safe and enjoyable experience for all

Flowers

- Our floral arrangements have been meticulously crafted by talented florists, using a variety of fresh blooms and greenery to create stunning center-pieces, bouquets, and decorative accents

Hospitality & Catering

- At our event, we pride ourselves on offering exceptional hospitality and catering services to ensure a memorable experience for all attendees
