## PURPOSE AND OBJECTIVES

PT. GSA wants to help governments program to be successs by placing indonesian workers abroad, It means we carry out the mandate of the 1945 constitution where overseas employment is one main program from government that will reduce unemployment in the country increase welfare, develop human resouce and generate which is currently needed by the goverment to financial activities in the country

PT. GSA, in implementing the replacement program of indonesian workers abroad, works in accordance to government discretion We pay more attention to the protection of foreign workers and maintain either nation or state dignity on the other hand, we also continue building good relationship with foreign parties to open labor market as wide as possible.

PT. Gunawan Sukses Abadi and its participation in the field of placement of workers abroad have several objectives including :

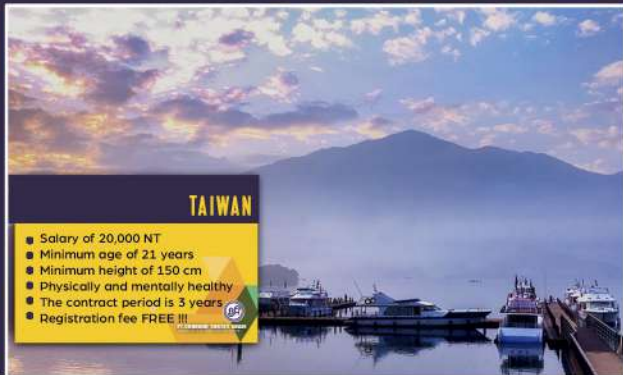

1. Expanding employment abroad and reduce unemployment in the country.
2. Creating professional abilities and work ethics which is productive for migrant workers.
3. Improving the quality of workforce and transferring technology.
4. Increasing state foreign exchange earnings.
5. Improving the welfare of the workforce and their family.
6. Increasing labor protection from pre to retirement.

## OUR FACILITY AND OFFICE

## Conclusion

The placement of Indonesian Workers Abroad in the currently very crucial and appropriate,  
Given the fact that many domestic companies reduce labor for efficiency reason  
We can say that labor's opportunity will not likely develop within the country  
Thus it is necessary to expand our labor market to overseas with the assistance  
of labor service companies

Based on these thoughts,  
PT. GUNAWAN SUKSES ABADI made a proposal of company's activities to get a formal Job  
that is official and useful for all party involved.

Thank you for your attention and cooperation
