CHINA-ARAB STATES EXPO

## New Era, New Opportunities, New Future

Mr./Ms. \_\_\_\_\_ :

Thank you for your continued support for the China-Arab States Expo!

Approved by the State Council, the China-Arab States Expo (hereinafter referred to as "the Expo") is an international exposition at national level and jointly sponsored by the Ministry of Commerce of China, China Council for the Promotion of International Trade and the Government of Ningxia Hui Autonomous Region. Since 2013, five sessions of the Expo have been successfully held in Yinchuan of Ningxia with the principle of "Friendship, Cooperation, and Win-win Development".

The sixth session of the Expo will be held in Yinchuan from September 21st to 24th, 2023. On the theme of "New Era, New Opportunities, New Future", it will focus on the eight major cooperation initiatives between China and the Arab side and the five priority areas in which China is ready to work with GCC countries in the next three to five years, which were proposed by Chinese President Xi Jinping at the first China-Arab States Summit, the China-Gulf Cooperation Council Summit and during his state visit to Saudi Arabia. By doing so, we aim to deepen cooperation in the fields such as trade and economy, energy, science and technology and agriculture, and foster new growth drivers in areas including green and low-carbon development, digital economy and health and medical services.

In an effort to advance the extensive exchanges and cooperation between China and other participants of the Belt and Road Initiative including Arab states, the Expo will consist of the Opening Ceremony, Belt and Road Trade and Investment Promotion Conference, eight concurrent activities, activities of the Guest Country of Honor and Theme Province as well as four exhibitions.

The Organizing Committee of the Expo will invite Chinese and foreign dignitaries, ministerial-level officials, ambassadors of relevant countries to China, and representatives from international organizations, national level chambers of commerce, business associations and enterprises from home and abroad.

We sincerely invite you to join us at the Sixth China-Arab States Expo in Ningxia, the oasis in the hinterland, with a view to sharing development opportunities for win-win cooperation.

Best Regards.

The Organizing Committee of the China-Arab States Expo  
March 2023
