Dear H.E. Abdulla Salem AlDhaheri,
Ambassador of the United Arab Emirates to the Republic of Indonesia

We are pleased to introduce **PT Sampoerna Agro Tbk (SGRO)**, one of Indonesia's leading and diversified agribusiness companies. Established in 1993 and listed on the Indonesia Stock Exchange since 2007, Sampoerna Agro operates across Sumatra and Kalimantan. The company is part of the **Sampoerna Strategic Group**, which has been a key player in the Indonesian business landscape for over 100 years.

We are currently seeking strategic partners in the UAE and are keen to explore opportunities for collaboration in various areas of our business, particularly in the palm oil sector. Sampoerna Agro is the second-largest palm oil seeds producer in Indonesia and manages over **40,000 hectares** of land, producing **400,000 tons of CPO** annually.

PT Sampoerna Agro Tbk presents an exciting opportunity for investment and strategic partnerships in the following areas:

- **Palm Oil Plantations:** Developing a 100,000 ha palm oil plantation requires an investment of approximately **USD \$1 Billion**.
- **Acquiring 15% stake in Sampoerna Agro:** For **USD \$145,000,000**, investors can acquire a 15% stake, opening avenues for collaboration in palm oil and sustainable energy.

Sampoerna Agro offers a well-established infrastructure, with its palm oil plantations and advanced facilities, providing the ideal platform for partnership. Furthermore, we have already worked closely with **Louis Dreyfus UAE**, which is involved as a partial off-taker for our products.

We would be honored to arrange a meeting to explore how we can collaborate with the UAE's investors and businesses, particularly in expanding sustainable palm oil production and other agribusiness activities.

Thank you for considering this opportunity. We look forward to discussing the potential for collaboration and investment with you in more detail.

Best regards,
Harry Lim
President Director
PT Arta Alam Prima
