- *INNOVATION* We support and empower our people to take initiatives, prevent and innovate

## **OUR VALUES**

---

To work towards a safe and sustainable future, contributing to the global effort of providing sustenance for a growing population

## WHAT WE DO?

### Cultivate Abundance with POSI: Your Seed to Success Partner

We're not just an agricultural company; we're your trusted seed to success partner, empowering you to cultivate abundance every step of the way. From anywhere in the world, we source the finest small grains and oilseeds.

Our expansive network brings you a diverse selection, ensuring you find the perfect fit for your unique soil, climate, and aspirations. Whether you're a seasoned farmer or just starting your agricultural journey, our knowledgeable team is here to guide you. We share your passion for the land and understand the intricacies of nurturing its potential.

## OUR PRODUCTS

### Sunflower Seed

Our company specializes in the production of high-quality sunflower seeds, a valuable crop for farmers. Grown under optimal conditions, our sunflower seeds are a testament to our commitment to agricultural excellence. Choose our sunflower seeds for a profitable and environmentally friendly farming experience.

### Groundnut Seeds

At POSI, we take pride in our superior quality groundnut seeds. Cultivated with meticulous care and attention, our groundnut seeds are a valuable asset for farmers. They yield a bountiful harvest of groundnuts, which are not only a profitable cash crop but also enrich the soil with nitrogen, making it more fertile for subsequent crops.

## Red/White Sorghum Seed

We are proud to offer high-quality red and white sorghum seeds. Our seeds are carefully selected for their yield potential and adaptability, providing farmers with a resilient and profitable crop. Red and white sorghum are versatile grains that are drought-tolerant and thrive in various soil types, making them an ideal choice for sustainable farming.

## Sugar Beans Seed

Our sugar-bean seeds are selected for their high yield potential and adaptability to various climatic conditions, offering farmers a reliable and profitable crop. Sugar beans are not only a nutritious food source but also contribute to soil fertility through nitrogen fixation. Choose POSI for sugar bean seeds that promise a bountiful harvest and a sustainable farming future.

## Millet Seed

At POSI, we offer premium-quality millet seeds. Our seeds are recognized for their high yield potential and adaptability to diverse environmental conditions, providing farmers with a robust and profitable crop. Millet is a hardy grain that is drought-resistant and can thrive in less fertile soils, making it an excellent choice for sustainable farming.

## Pearl Millet Seed

Our pearl millet seeds are of exceptional quality. These seeds, known for their resilience and high yield, are a boon for farmers. The hardy pearl millet thrives even in challenging conditions, reflecting our dedication to sustainable farming practices. Experience the POSI difference for a rewarding and sustainable farming journey.

### Cow Peas Seed

POSI stands as a beacon of quality in the agricultural sector, particularly in the realm of cowpea seeds. Our seeds are celebrated for their adaptability and high yield, making them a reliable choice for farmers. The cultivation of cowpeas not only promises a nutritious harvest but also contributes to a healthier soil ecosystem through nitrogen fixation.

### Castor oil Seeds

We are proud to offer high-quality castor oil seedlings, meticulously chosen for their robust growth potential and adaptability. Our seedlings ensure a successful and profitable harvest for farmers seeking a versatile and fast-growing crop. Choose POSI for castor oil seedlings that promise and a prosperous farming experience.

### Sesame seeds

POSI proudly presents our premium sesame seeds, meticulously selected for their exceptional yield potential and adaptability. These resilient seeds empower farmers to cultivate a profitable and sustainable crop. Trust POSI for sesame seeds that promise robust growth and a prosperous farming experience.

### Soyabean seeds

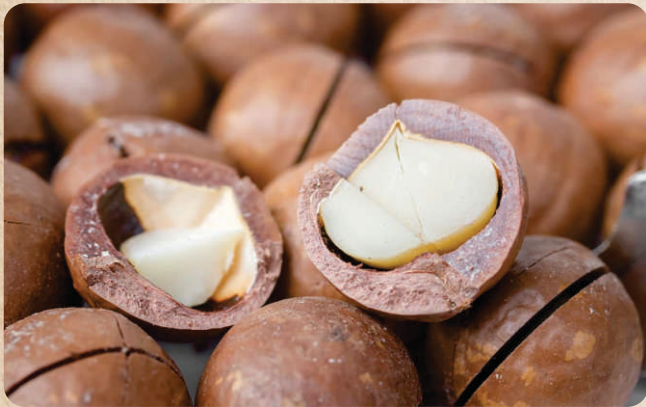

POSI is proud to present high-quality soybean seeds, carefully selected for their superior yield potential and adaptability. Choose POSI for soybean seeds that promise exceptional yield, sustainable growth, and diverse applications.

## Macadamia nuts

Our company presents premium macadamia nuts, meticulously chosen for their exceptional quality and consistent yield. Choose us for macadamia nuts that promise exceptional quality, consistent yield, and exquisite flavour.

## Pecan nuts

At POSI we are proud to offer premium pecan nuts, carefully selected for their superior yield potential and exceptional flavour. These prized nuts offer farmers a lucrative and rewarding crop. For pecan nuts that promise exceptional yield, superior flavour, and a taste of southern elegance, choose POSI.
